Circulated -

The testimony which is borne by this communication & others recd. from time to time is very creditable to Lt Colonel Deserajiar.

His present pay is 1500 Rs - the same as Col Jones was drawing when the pay of the latter was raised to 1700 when he became a Lt Colonel - Ever since Lt Col Deseraji ars has been feeling it as a grievance to himself - and that ~~rightly~~ not altogether without justification but there were other circumstances which to a degree prevented this proposal being made - & I have therefore now the pleasure to recommend an increase of two hundred rupees per mensem to the pay of Col Deseraje

Satisfied that the two cases are parallel, I have no hesitation in agreeing to the increase proposed - [signature]

To

The Resident in Mysore.

Sir,

I have the honor to request that you will be so good as to obtain for the Durbar the loan for two years of the services of Deseraj Urs, a Jemadar of the 3rd Madras Light Cavalry. Particulars regarding his British service are entered in the margin.×

2. His Highness the Maharaja desires to employ him as his Aide-de-Camp and it is also proposed to utilize his services for instruction in drill to Silledar Regiments at Mysore and Bangalore. His pay when employed under the Durbar, will be Rs 200 per month, or such higher salary as he may become entitled to by promotion in the British Service. The Durbar will, in addition to this amount, pay also his contribution

for

× Joined the 3rd Madras Light Cavalry as Jemadar ... Went in September 1886 with the 1st Madras Lancers to Burma on war Service. Is now at Mysore on 3 months' leave which expires on 13th December 1887. Present pay Rs 60, but has been recommended for promotion to Subedar 2nd Class, Pay Rs 105;

as a British pension under Rule 3, Section 9 (b), of the Civil Pension Code, 6th Edition, or under any other rule which may be held to be applicable to this case.

3. His Highness will feel much obliged if you will be so good as to take the necessary steps to obtain the loan of Deseraj Urs' services at as early a date as may be possible. It would be a great convenience if the arrangement referred to could be effected so as to obviate the necessity for Deseraj Urs' return to Burma at the expiration of his leave in December next. If the question of his contribution for pension is likely to require some time for its settlement, I beg to suggest that sanction may first be obtained for the transfer of this Officer's services, it being understood that the Durbar will agree to any arrangement regarding

his

his pension which the Government may finally decide upon.

4. Deseraj Urs agrees to the transfer now requested.

My dear Mr. Lushcadler[?],

I have the pleasure of receiving y. letter of the 25th this morning and enclose a memo: on the subject of [illegible] - I am glad that you have decided on giving him some regular employment and there will be no difficulty in giving him work to do. and I could if you wished it employ him here at once in the duty which has been hitherto done by [illegible] - There would be this advantage in it that he would be more under my direct orders but on the other hand looking to his own ultimate interests I should strongly advise his obtaining a qualifying certificate in Infantry drill as soon as possible - and I think that this point should be insisted on tho' I daresay it will not be particularly

which my Dear Raj has himself - The time so to be well spent and the knowledge acquired will be very useful to him hereafter, for if there is no opening for him as Commanding Officer of a Regiment he might hereafter be employed under my successor in a position similar to Captain Jones - all British officers in the Native Cavalry in India pass through an Infantry regiment and are consequently acquainted with Infantry drill - Having qualified in this I think he could do a great deal in working up the Equitation and drill of the regiment at Mysore and might thereby show his efficiency in a separate position -

It would really be of great advantage. I have lately had in this regiment three serious cases requiring thorough good veterinary assistance - One case of fracture of the leg of a horse from the kick of another -
One case of rupture of a blood vessel -
One case of severe injuries from falling into a stone-faced drain - In all these cases I felt obliged to get the assistance of the nearest Veterinary Surgeon Mr. Durrant -
I told Col. Thomas (Comg the 3rd Cavalry under whom Royle is employed) that I had spoken to you about it and understood that you would sanction the appt. and he wrote to me to know what has been done in the matter - I hope you are enjoying yourself

We do not find the heat very oppressive here but Mrs. Kay wishes to take a change for a short time to Nundidroog. I propose going up with her for a fortnight but should not require here as I would take up a few officials and keep them busier as so I did once before –

He was also employed in assisting me in many matters connected with the Stable management and Veterinary Department with Remounts and with the inspection of the Kunigal Farm, for which he was well qualified from his good judgment in these matters and aptitude for them.

He was attached to the 2nd Regiment at Bangalore during the camp of Exercise and accompanied it on all occasions of Divisional Field Days and Cavalry Brigades with the British Force at Bangalore. His Head Quarters were at Bangalore. He proceeded to Mysore at interva[ls] and there superintended the drill and exercise of the Silleda[rs]

- Memo -

When last at Mysore, I had an interview with the Dewan when the question of the employment of Mr Desaraj Urs in the Military Department of the Mysore State was discussed and I was directed to take into consideration how his services could be utilized. I will state briefly what appears to me to be the best method of doing so.

The duties of the Military Department are partly administrative and partly executive. The former consist of the general supervision and control of the different branches of the Department viz:-

1. The discipline of the Force including Promotions, exchang Retirements, Punishments, Dismissals &c.

2. The interior economy com-
- prising general orders regard-
- ing Drills and Examinations;
The management of the various
- Funds re- Dress and equip-
- ment.

3. Horses and cattle viz: The
Veterinary Department - Re-
- mounts and cast Horses -
The Kunigal Farm -

he Executive duties performed
nder the Military Secretary by
e Officer appointed for the pur-
pose in General Stewart's time
ere exclusively those of an
djutant to superintend the
nstruction of the Silladars in
quitation and drill in which
e was assisted by Drill Instruc-
ors from the Native Cavalry.
aptain Jones who was designated
taff Officer performed these duties
nd as he had also served in
British Infantry Regiment he
as employed in addition in the
eriodical inspection of the Barr

and

He has not been employed with the Barr or with the Troops at Mysore.

The latter have hitherto been at a disadvantage compared with those at ~~Mysore~~ Bangalore and it would be of great benefit if they had an Officer whose attention could for sometime at least be principally given to putting the Ressalas there through a regular course of Riding School and Squadron Drill which it was intended should be done by Mr. Kempraj Urs if his unfortunate death had not prevented it.

It appears to me that Mr. Desaraj Urs from his training in a British Cavalry Regiment is peculiarly well suited for performing at Mysore the duties done by Lieutenant Acton at Bangalore and that in addition to what may be assigned to him in connection with the Cavalry, he ought as soon as possible to qualify for the duties of a general

Staff

Staff Officer by acquiring a knowledge of Infantry Drill which was found so useful in Captain Jones' case.

Should His Highness the Maharaja approve, I would suggest that Mr Desaraj Urs be appointed Honorary A. D. C. to His Highness which would in no way interfere with the performance of other duties connected with the Military Department and that he should be gazetted as Assistant to the Military Secretary which will leave it open for him to be employed in such ways as may be found desirable.

I would advise that when he comes to Bangalore with His Highness, he should without delay qualify in Infantry drill by attending the drills of one of the Madras Infantry Regiments here and obtaining a certificate. In addition to this I would employ his spare time in organizing

Regimental gymnasia both for the Silladars and Barr. I do not think he could do more during the time except that on Divisional or Brigade Field Days act as galloper to the Brigadeer of Cavalry.

He should then be posted to Mysore where he could:—

Take entire charge of the Riding School.

Superintend a systematic course of equitation, Troop and Squadron Drill of each Ressala in succession, the result of which would be ascertained by inspections at intervals by the Military Secretary.

Inspect and Superintend the drill of the Barr at Mysore.

Organize Regimental gymnasia for both Silladars and Barr.

The ordinary routine of executive work at Bangalore since Captain ~~Jones~~ Jone's absence has been generally as follows:—

Drill

Drill

Silladars. Monday. Regimental Parade under Regimentdar or Military Secretary.

Tuesday. Riding School Post Practice or Squadron drill. Lieut Acton.

Wednesday. Regimental Parade as on Monday

Thursday. As Tuesday

Friday. Regimental Holiday

Saturday. As Tuesday & Thursday

The days for Regimental Parades have varied but the general rule has been one Parade at least per week under the Regimentdar and one under the Military Secretary. During my absence two Parades under the Regimentdar.

I attended Lieutenant Acton's Parades once or twice a week at least and visited Stables Lines and Sick Lines.

Barr

The Barr recruits and as many men off duty as could be spared are drilled daily under the Drill Subedar

To
The Resident in Mysore

Sir,

In Continuation of my letter No. 23 of 24 Octr 1887, and referring to Asst. Resident's letter No. $\frac{413}{6717}$ of 14th Feb 1888, regarding the Employment of Jemadar (now Subedar) Deseraj Urs by the Mysore Durbar, I have the honor to state that Jemadar Deseraj Urs received his promotion to Subedar in the British Army with effect from 1st January 1888.

2. His Highness proposes to increase his Mysore Salary to Rs. 330 from Rs 220, also with effect from 1st January 1888, and ~~it proposed~~ to appoint him as Assistant to the Military Secretary ~~for~~ ~~and to assign to him~~ with definite

duties ~~in the Mysore force~~,
such as Superintending a systematic
Course of Equitation, Troop &
Squadron Drill, Inspection & &
Superintendence of the Drill of

besides continue to be A.D.C
to His Highness, as ~~the~~ the duties
of that appointment are ~~~~
only nominal.

3 Subedar Deseraj his ~~~~
pay proper in the British army
is Rs. 150,. Out of the Mysore
pay of Rs 330 now proposed
he will pay Rs 30 to the British
Govt as contribution toward
his pension ~~~~ & retain
the balance of Rs 300/- as
net salary. Under such
circs I beg that you wi

Subedar and the Parades attend-ed by me once a week or so.

From this it will be seen that duties similar to Lieutenant Acton's would engage Mr Desaraj Urs for three days a week at Mysore and that he would have extra duties connected with the inspection of the Barr and gymnasia.

The question of Mr Desaraj Urs' pay was discussed and the Dewan was of opinion that it would not be advisable to fix it as high as that of a Regimentdar viz: Rs 300 but that Rs 250 would be a fair sum to commence with and I think this is perfectly reasonable.

With regard to rank, he should in my opinion rank next to Regimentdars and above Ressaldars.

If His Highness and the Dewan

Dewan approve of these suggestions I will do all I can to give proper effect to them –
